HOUSE-INFUSED FLAVORS

Ask your server about our rotating experimental flavors!

Bacon Infused Vodka

This vodka imparts a nice smokiness to your bloody!
Bacon brings out the spice in our house mix, kicking up the flavor!

Citrus, Rosemary & Sage

You won't need to squeeze a lemon into this bloody!
Our new vodka is infused with fresh lemon slices, rosemary sprigs, and sage.

Basil-Garlic Infused Vodka

Crafted to add a herbaceous note to your bloody mary. The garlic makes its presence known, but is not overpowering to the point where you can't be social!

3 Pepper Infused Vodka

This our hottest vodka! Infused with jalapeño, serrano, and habanero peppers, this flavor really kicks up the spiciness in your bloody mary.

Horseradish Infused Vodka

If you enjoy horseradish, you'll love this vodka! Strong kick of the fresh root with none of the vinegar flavor you'll find in horseradish sauces.

Pickle Infused Vodka

This infusion adds a nice balance of tangy and salty to your bloody mary.
